

Schure Slide, Ergo, Flexible

Smooth, flexible & extremely durable

Schure Slide Ergo was developed to reduce the amount of lifting by hospital staff, thereby reducing the ever-present risk of back injury among staff. Schure Slide is smooth-surfaced, flexible, and extremely durable.

Features

- Radiolucent and not made with natural rubber latex
- Non-disposable, no need to waste red bags
- Won't stain – spray and wipe clean
- 33"L x 23"W x 1/16" (84cm x 58cm x .2cm)
- Speed up turnover time – hang Schure Slide in every O.R.
- After being placed under a patient, O.R. staff and hospital personnel can effortlessly slide the patient from one gurney or table to another without lifting
- Reduce back injuries and increase patient comfort

#800-0162 Schure Slide, Ergo, Flexible

Important! Please note that the Schure Slides are made for sliding a patient from one surface to another and are not constructed to support patient weight.
